THE **FLEXITRIP** PASS IS DESIGNED TO GIVE YOU THE ULTIMATE IN FLEXIBILITY SO GO CRAZY DRAWING CIRCLES AROUND THE DESTINATIONS YOU HAVE ALWAYS DREAMED OF VISITING, THEN JOIN UP THE DOTS AND COUNT UP THE STOPS.

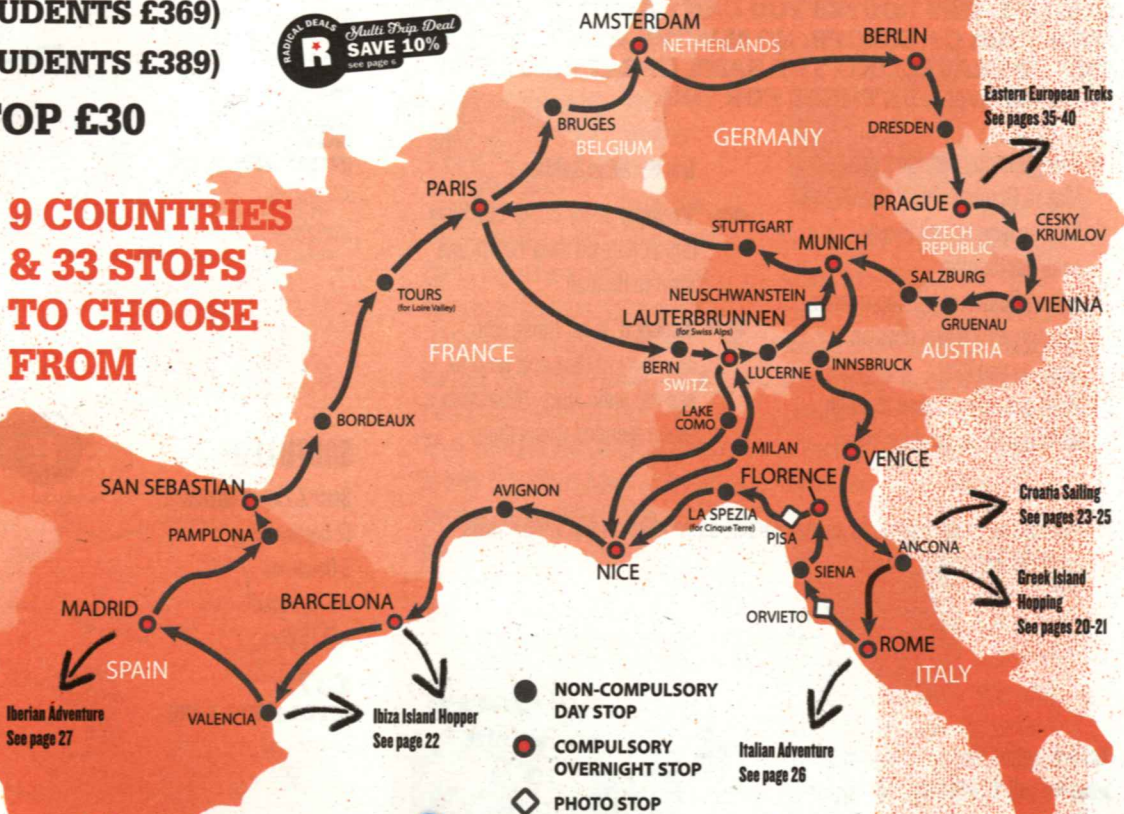

A Flexitrip is one travel day so, for example, if you want to get from Paris to Amsterdam that would be one Flexitrip. If instead you fancy hopping off in Bruges (to drink local beers and eat Belgian chocolate) and then carry onto Amsterdam another day, that would take 2 Flexitrips.

Build up on your base Flexitrip pass by buying additional stops before you leave. You can also buy extra Flexitrips whilst you're on the road from your Guide.

Johnny Rockstar

Lead singer and guitar player extraordinaire, Johnny Rockstar has stepped away from the limelight (well, not quite) to follow his passion for travel. A fan of expressionist art he knows the best places to go if you're up for some live music and want to see the true cities we visit. And of course, the man who never leaves home without his trusted guitar is always on hand to play a few tunes himself.
