

## The Skye Trail walking

The Isle of Skye or 'winged island' with its 300 miles coast line, is one of those places that inspires with its at times savage natural beauty, its history and wildlife.

Also known as the Misty Island (Eilean a' Cheò), its pervading Gaelic culture gives a character that is quite different. The whole combination draws one back again and again.

This wild and rugged walk from Broadford in the south to the north coast, of some 80 odd miles, is constantly fascinating, regularly challenging, and never boring. It will provide memories to last a lifetime.

### What previous customers have said about "The Skye Trail"

“Outstanding leadership with excellent knowledge of wildlife, landscape, history and culture.”

“Good food and our leaders excelled themselves – a cracking team.”
